

## SILVER STATE OPPORTUNITY GRANT AT WORK

### Sixty-Three WNC Students Receive Assistance Through Need-Based Grant

The 2015 Nevada Legislature allocated \$2.5 million for financial assistance to students for the 2015-16 and 2016-17 school years. Through the Silver State Opportunity Grant program, 63 WNC students are receiving the maximum financial aid award of \$5,500 for this school year. Besides lifting some financial barriers for students to continue their education, the grant will provide students more time to focus on their studies.

## WNC OFFERS MANUFACTURING TECH I CREDENTIAL EXAM

### Federal Grant Enables WNC and the Carson City Library to Grow Workforce

WNC and the Carson City Public Library have formed an alliance through Nevada's Working Capital program to promote Manufacturing Technician 1 credentialing for area residents. The partnership will serve as a national benchmark for new ways to certify workers for employment in manufacturing. The training will be available at little or no cost.
